

Dark Night Of The Soul

You will experience at some point during the course of your own individual Satanic quest or lack of better words a point where you feel there is no turning back. A point where upon even when you are at your lowest point and suffering that you have come too far to turn back to normal life. That indeed despite the traumas and tragedies of your own life that you know no other way of living. There may be many failed relationships, broken friendships, prison time, facing death and many obstacles to overcome.

There is ultimately no way out for you. Even if it as were you against the World you would still march on. Even if it were marching to your own death. Although there are certainly many pleasures to be experienced as a Satanist and the joy and pride of knowing you live life on the edge and beyond what most people are capable. Not just in terms of evil, crime and terror but in terms of life experience itself. Satanism is hard not easy and will involve personal suffering. Trauma in of and itself is an excellent tool to aid in development of character and overall increasing the physical manifestation of the death currents.

There are only truly a few, selected individuals which exist that are Satanists. That is to say real actual Satanists. You have to ask yourself is this truly what you want? Eventually you will develop to the stage of no turning back. Along the way there will be dilemmas, tragedies, and all sorts of other suffering and ordeals. Satanism does not necessarily bring happiness. But it is not incorrect to say at some stage you evolve beyond normal human emotions. And become more spiritually aware.

The more traumas you experience the more you will shed your humanity and human weakness. For “all that is great is built upon sorrow”. Indeed your own sorrow and the sorrows you create. The weak perish and the strong survive. The weak will always be predominant and eminent for that is the mass of humanity. They exist for us as a resource to exploit.

The end goal becoming evolved beyond humanity and like the Dark Gods themselves. If it was an easy task, a safe task and ultimately a pleasurable task everyone would do it. Aiding in their physical manifestation and the ultimate downfall of all.

That’s how it is. You are as it were a soldier in a war; your own war. Marching on to the final omega the final harvest. There is no other way for a being like yourself. Your own humanity burned away from trials and ordeals. Years spent living on the edge unlike most people. Engaging in forbidden fruits. Often times you may be hated or infamous as a result. And face coercion from the state to try and force you to be a slave like everyone else. You will be unlike everyone else and have to pretend to be normal to assume a role as a normal human being.

What more exists to say? There will be pain and you will have to pay in blood; your own blood. Take delight in the suffering in an act of Satanic masochism. The glory of pain. And always remember what does not kill make stronger.
