

Noctulius Waffen

Liber Typhon Part I ~ Introduction to the Noctulius Waffen

July 8th, 2022 era horrificus

134 Year of the Fuhrer

Why Noctulius Waffen?

Noctulius Waffen is a secretive and clandestine operation which objectively speaking has no members, no authority and is ultimately just the writings of one individual (myself – Azagthoth ay-Shaitan Ahriman-deva Rudra das also known affectionately as Dark Gnosis).

The issue here lies with the forms themselves previously used being too exoteric about what should remain esoteric. National-Socialism, culling, crime, terror, and violence – which are all integral parts of Satanism and as any genuine Satanic adept knows the path to Godhead in the Vamacharga Tantrik sense.

Noctulius Waffen's outershell is that of a far left troll/prank organization with numerous imbeciles in charge who are either psychotic, on drugs or both. It is a digestible watered down version or take on the true Tradition (which may or may not differ from the O9A both ideologically and officially) but is nevertheless a genuine O9A nexion to the Dark Gods.

Noctulius Waffen admits that there is a master race that of the Aryan race whose prime representative was sent by the Dark Gods themselves as Adolf Hitler. And who unfairly was defeated by the Yahoudi-Nazarene forces of Amerika and the USSR. And that whether or not there was a Holocaust is irrelevant.

The Islamic symbolism is merely to hint at the truth. That Mohammed stole from the Pre-Islamic most likely Persian or Sumerian tribes or tradition the Dark God Atazoth who is the Cosmic form of Satan and renamed him Allah. It admits that Islamic is an inherently evil and Satanic religion now watered down and ruined by Communism, Organized Jewry and other forces.

The kolokrat or Black Sun represents the esoteric essence of National-Socialism and fascism as espoused by Savitri Devi, Heinrich Himmler, the Theosophical Society, and Julius Evola. The skull and knives is merely a play or form of the Totenkampf of the glorious Waffen-SS.

Noctulius Waffen is a Chaos-Gnostic Vampiric Order of Satanic Islamic Aryan National-Socialists seeking via chaos, terror, violence and other machinations – as we are amoral and wish to sow the seeds of chaos – the downfall of the Old Order for the Dark Imperium/Galactic Imperium.

Our tendrils extend deep and long into the fleshy womb of Davinca and towards the Yggdrasil Atazoth's blood and Blood Pool. Ebbing and flowing Azoth from ay-Shaitan.

Introduction to Noctulius Waffen

Noctulius Waffen is a spiritual and political form to manifest a physical O9A nexion but in the numinous sense with only a unique trace or aftertaste of the Sinister. The Sinister is not the prime goal of Noctulius Waffen but the numinous.

There is within our ranks:

No racism, no homophobia, no transphobia, no pedophilia, no misogyny, no RapeWaffen or AtomWaffen bullshit, no illegal activities, no promotion of terror or violence, and members must be 25 years or older with government issued ID to join. Under their real legal names and willing to be publicly associate with us.

Esoteric Philosophy

Our philosophy is based upon Reichsfolk, Naturvolkisch, and Anarchofascism but we have removed all traces of fascism or National-Socialism. Instead all that remains is a certain sort of principles.

Our principle is to be environmentally aware and protective over our forests and wilderness by civil disobedience if need be but not by activities as the Unabomber carried out. We are still pro-technology and technological and scientific advancement. We merely suggest that a good solution to the environment crisis would be alternative fuels (biofuels is not a solution) or travel by bicycle or foot. Sailing instead of aeroplane or other pollution generating boats.

We respect and venerate all other cultures both folk, ethnic, religious and otherwise. We support such movements as Black Lives Matter. And such organizations as the Nation of Islam. We also seek to build upon and improve the political theories and organizational structure of George Lincoln Rockwell and William Pierce. As well as David Myatt and his Reichsfolk, Islam and Numinous Way writings which are tolerant and non-violent.

An ideal society for us would be the Athenian one with a Nietzschean Zarathustra ethos which was sufficiently advanced technologically and space-faring. With a state religion and state political system which were tied together and connected. This religion we propose a modification of Islamic religion by including elements from Hinduism especially the Vaisnavist sect which holds Kali as the origin of Krsna, Greco-Roman Philosophy, Hermetic occultism, Buddhism, Gnosticism and Western Paganism(i.e. 'Satanism').

In our cosmology there is a infinite number of universes which are composed of physical matter with entropic linear time in one dimension and 3-spatial dimensions. We hold after Newtonian Physics

science went into the realm of theory and not fact. We hold that in this infinite sea of universes there is a large cosmic ocean consisting of “primordial chaos” or acausal energy. Which is conscious and alive itself and that it creates a being who is an artisan (a demiurge) which via creating (another) universe(s) merges within the universe itself. Akin to Pandeism. We hold that within the Cosmic Ocean there is an all powerful all knowing infinite being which is conscious, timeless and intelligence. Known as the Divine Hermaphrodite and whose female counterpart is Kali and whose male counterpart is not Shiva (although Shiva is divine anger in essence in our worldview) but Visnu or Narayana. This being allows us via the feminine aspects of Wisdom (Sophia-Davinca) resulting from an empathy with Nature, Cosmos, one’s folk, one’s tribe or family, etc. which liberates us with gnosis and transcendental existence. And that Jesus Christ was one of these teachers and so was Lucifer. And that the figure of Lucifer and figure of Christ were one and in the same. Earth-bound representatives of the divine who are known by various names but most aptly as Krsna with his many avatars some which have not been identified correctly by texts.

And that his final incarnation in any Universe when injustice arises to a maximum is as Vindex (the avenger) who is known as Kalki in the Sri-Kalki Purana.

We see the Bible as having a Sumerian origin but being in truth a visitation on Earth by ancient Immortal beings arising from the acausal. And exoterically being known as demigods and who bred with mortal women to create Titans or Nephilim. And that the serpent in the Garden of Eden was most likely the Typhonian Apep who is also known as Apsu in the masculine form and Tiamat in the feminine side. This serpent was hermaphroditic. And as Lilith seduced Adam to create various female entities dangerous to males with a hubris prideful nature and to those who are sexually repressed as men. Also to test males with games. They are similar to Gorgons, Naga, succubus, etc. And that the Satan or male aspect of the Serpent seduced Eve to father Cain. Whose descendants are those who are of our kindred spirit and thus fire born. Capable of gnosis. This bloodline is both genetic, physical, and spiritual. It can be seen in individuals such as Genghis Khan and via Genghis Khan himself those with his genes have this Satanic origin. Adam and Eves descendants were the clayborn or matter without spirit. They can become imbued by spirit and gain gnosis if they listen to those who are as wise as serpents. Otherwise they will face 7 hells or 7 heavens or worse of all a voidal state of purgatory.

One who has 7 devils casted out of them are no longer privy to the influence of the planets or unseen forces but consciously aware enough to weave and create and be as elements or instruments of divine fate or providence love of which will lead them to the source of their origin. With or without direct worship or prayers etc.

This is orthodox mostly but it is the new religious form I am espousing for the O9A’s exoteric outer shell. And also continues it’s philosophy and mythos.

There are also descendants who come directly from Davinca or her daughters which were located primarily in the marsh lands of Albion and then in 1000 AD around the marshlands of the location(s) of Vinland and a well known river around a nearby state/province/city/etc. They are “born of faeries” and faeries were not like the Disney image. The Druids captured their culture as did the Caanites and Aztecs. But in the Western tradition the Gaelic-Celtic Druids and their martial caste the Germanic-Nordic Pagans. The Arthurian tradition and Illiad itself may hint at this.

Ethics/Morality

The only law for us is the law of individual will to power. Do what thou wilt in accordance with one's will which is of the higher self. We achieve this by initially recognizing our opposite in Jungian terms by opposing whatever is pre dominant for a period of 1 to 2 years then we surpass this to fulfill our own unique individual destinies. We are yes very much amoral insofar as we wish to go beyond good and evil, and do not view "evil" except in the Nietzschean sense of master morality ie an action which goes beyond personal limits to transgress one's own mental, physical, spiritual, etc. limits. However, this is never done out of coercion, force, nor enforced upon others. And if it results in the abuse and murder of still developing minds of children or women or the elderly or anyone who is not a sworn enemy during combat is seen as dishonorable and cowardly.

Culling we do not undertake except in symbolic rituals as Freemasons do. It just remains as a historical curiosity and there is no actual death or murder involved. In the line of duty as a police officer, soldier or self-defense we have to enact deadly force we never do in an excessive way that transgresses society and is anti-social. We abstain from things such as drugs, alcohol and pornography unless it is to gain personal insight for a brief time or in a ritualized setting.

Exoteric Philosophy

We are based upon Juche ideology, follow Numinous Law, and between members follow the Code of Honour for the New Aeon. As well as when times suggest it the 21 Satanic Points.

1. We must give our all in the struggle to unify the entire society with the revolutionary ideology of the Order of Nine Angles and David Myatt.
2. We must honor David Myatt with all our loyalty.
3. We must make absolute the authority of the Individual Will to achieve Aeonic goals which are impersonal and benefit the whole of the Order of Nine Angles. In a manner which results in Galactic Imperium from a One-World Government free from Tyranny.
4. We must make David Myatt's revolutionary ideology our faith and make his instructions our creed.
5. We must adhere strictly to the principle of unconditional progressive evolution in manifesting the rise of Vindex, to achieve Aeonic goals, to aid the Dialectic, and to consciously evolve. Assume formlessness.
6. We must strengthen the entire O9A's ideology and willpower and revolutionary unity, centering on David Myatt/Anton Long, and those of the New Guard of which Dark Gnosis is one.
7. We must learn from the Grandmaster and adopt the National-Socialist look, revolutionary work methods and people-oriented work style.
8. We must value the Sinister Tradition we were given by the Grandmaster and Old Guards, and loyally repay his great benediction and thoughtfulness with heightened political awareness and skill. As well as empathy, compassion and honour towards our forebearers and to each other both within our Tribes, between our Tribes and society as a whole.
9. We must establish strong organizational regulations so that the entire party, nation and military move as one under the one and only leadership of the Great Leader Dark Gnosis. [Note: for Noctulius Waffen itself].

10. We must pass down the great achievement of finding the lapis by the Great David Myatt and the tradition from generation to generation, inheriting and completing it to the end.

Our Unique Code of Honour

The Reichsfolk Ethos

The essence of our distinct Reichsfolk ethos is manifest in: (1) the acceptance of and the further cultivation of human diversity by noble and reasonable means, and which means include the establishment of clans and tribes; and (2) in the ethical principle of personal honour, which implies that we as individuals should act in a cultured, a civilized, way and thus should have or strive to cultivate self-control, that we possess manners, and that we treat others fairly, in accordance with our code of honour.

Thus, the criteria we use to judge whether an action, a deed, is ethical is the criteria of personal honour. What is right is what is honourable, and what is wrong is what is dishonourable.

This personal honour means, for example, we judge others – of whatever culture and of whatever perceived ethnicity – solely on the basis of our personal knowledge of them, and not according to some abstract criteria, political or otherwise. That is, there is no prejudice concerning them – no pre-judgement of them – and no assumptions made about them, as there is no reliance upon the opinions or the judgements of others, for honour, our Reichsfolk ethos, demands that we form our own judgement based on personal knowledge and on the use of the faculty of reason. That is, we give individuals the benefit of the doubt unless or until their actions lead us to judge them in a critical way. This is the human, the fair, the civilized thing to do.

As it states in our Reichsfolk *Code of Honour*:

“A man or woman of honour treats others courteously, regardless of their culture, religion, status, origins, and ethnicity, and is only disdainful and contemptuous of those who, by their attitude, actions and behaviour, treat they themselves with disrespect or try to personally harm them, or who treat with disrespect or try to harm those whom the individual man or woman of honour have personally sworn loyalty to or whom they champion.”

For Reichsfolk, honour is the basis – the only basis – for law, for the legal code of the new communities we seek, by ethical means, to establish, with this legal code being the Nine Principles of Numinous Law.

Thus the personal implementation of honour, and this legal code, manifest the ethical evolution of National-Socialism embedded in and by Reichsfolk.

A corollary of the morality of personal honour is that modern warfare – involving both large armed forces whose individuals have no personal, honourable, reason to fight and kill people they do not know and have no personal quarrel with, and weapons killing at a distance – is regarded as dishonourable, with personal honour considering that only honourable combat between two individuals is ethical and thus right.

For the criteria of personal honour applies absolutely – one either behaves honourably, in a fair and thus a civilized manner, or one does not. There are no exceptions, and the man or women of honour prefers death, to die with their honour intact, to a doing something dishonourable.

The ethical evolution of National-Socialism – the ethos of Reichsfolk – is further manifest in the fact that the main practical emphasis of Reichsfolk is upon personal and social change through individuals living in an ethical way according to the principles of honour, loyalty, duty, and reverence for and respect of Nature.

Thus, Reichsfolk is not a political movement interested in agitating for or obtaining some kind of political power in some existing nation or State. Neither is Reichsfolk interested in reforming existing political or social structures. Instead, we believe that what is important – what is ethical – are we, as individuals, reforming ourselves, changing ourselves for the better, and living in small folk communities where we can establish an honourable, living – a numinous – identity for ourselves and live in balance with Nature, being thus a living nexus between our ancestors and the future of our folk, and a manifestation of the civilized virtues of reason, honour, and respect for Nature.

Reichsfolk thus distances itself from the old ways of impersonal States and large nations, and from the old ways of political and social strife, seeking instead to establish a new way of living based upon the establishment of new tribes and clans, with these new tribes and clans the genesis for new folk communities.

The Nine & The Law of The Sinister-Numen

The Law of The Sinister-Numen

“We, and our tribes – we, The Drecc – are at war with the mundanes, and with their States and governments, desiring as we do to replace the tyranny of mundane abstractions by our sinister-numen, and desiring as we do to replace their States and governments, and their laws, by our new tribal way of life based on our law of the sinister-numen, which law of ours is personal honor.”

The Law of The Sinister-Numen Honour, according to and as defined by the sinister-numen, is a specific code of personal behaviour and conduct, and the practical means whereby we can live in an evolved way, consistent with the sinister perspective, and aims, of our Sinister Way. Thus, personal honour is how we can change, and control, ourselves. Honour not only defines our personal behaviour, and imposes upon us certain duties and obligations, but it also defines us, as individuals – that is, it is an essential part of our identity, as individuals who live by the Law of the Sinister-Numen, and it distinguishes us from the mundanes, from all those who are not-of-us, who do not belong to our kind. Honour is what binds our tribes; what makes our tribes, what makes and what marks our new way of living. For us, our honour is more important than our own lives, and it is this willingness to live and if necessary die for and because of our honour that makes us strong, fearsome, and enables us to live life on a higher level than any mundane. For it is through honour – through our fearlessness, our scorn of our mortal death – that we come to exult in Life itself.

1. Our honour means we are fiercely loyal to our own kind – those who, like us, live by honour and our prepared to die for their honour.
2. It is our honourable duty – as individuals who live by the Law of the Sinister-Numen – to be ready, willing, and able to defend ourselves, in any situation.
3. It is our honourable duty – as individuals who live by the Law of the Sinister-Numen – to be loyal to, and to defend, our own kind: to do our duty, even unto death, to those to whom we have sworn a personal oath of loyalty
4. It is our obligation – as individuals who live by the Law of the Sinister-Numen – to seek revenge, if necessary unto death, against anyone who acts dishonourably toward us, or who acts dishonourably toward those to whom we have sworn a personal oath of loyalty.
5. It is our obligation – as individuals who live by the Law of the Sinister-Numen – to never willingly submit to any mundane; to die fighting rather than surrender to them; to die rather than allow ourselves to be dishonourably humiliated by them.
6. It is our obligation – as individuals who live by the Law of the Sinister-Numen – to never trust any oath or any pledge of loyalty given, or any promise made, by any mundane, and to be wary of them at all times.
7. It is our honourable duty – as individuals who live by the Law of the Sinister-Numen – to settle our serious disputes, among ourselves, by either trial by combat, or by a duel involving deadly weapons; and to challenge to a duel anyone – mundane, or one of our own kind – who impugns our honour or who makes dishonourable accusations against us.
8. It is our honourable duty – as individuals who live by the Law of the Sinister-Numen – to always keep our word, once we have given our word on our honour, to settle our non-serious disputes, among ourselves.
9. It is our honourable duty – as individuals who live by the Law of the Sinister-Numen – to act honourably in all our dealings with our own honourable kind; to strive to be fair, and courteous.

Honour – the Numinous Balance

“The personal virtue of honour, and the cultivation of wu-wei, are – together – a practical, a living, manifestation of our understanding and appreciation of the numinous; of how to live, to behave, as

empathy intimates we can or should in order to avoid committing the folly, the error, of ὕβρις, in order not to cause suffering, and in order to re-present, to acquire, ἀρμονίη.

For personal honour is essentially a presencing, a grounding, of ψυχή – of Life, of our φύσις – occurring when the insight (the knowing) of a developed empathy inclines us toward a compassion that is, of necessity, balanced by σωφρονεῖν and in accord with δίκη.

This balancing of compassion – of the need not to cause suffering – by σωφρονεῖν and δίκη is perhaps most obvious on that particular occasion when it may be judged necessary to cause suffering to another human being. That is, in honourable self-defence. For it is natural – part of our reasoned, fair, just, human nature – to defend ourselves when attacked and (in the immediacy of the personal moment) to valorously, with chivalry, act in defence of someone close-by who is unfairly attacked or dishonourably threatened or is being bullied by others, and to thus employ, if our personal judgement of the circumstances deem it necessary, lethal force.

This use of force is, importantly, crucially, restricted – by the individual nature of our judgement, and by the individual nature of our authority – to such personal situations of immediate self-defence and of valorous defence of others, and cannot be extended beyond that, for to so extend it, or attempt to extend it beyond the immediacy of the personal moment of an existing physical threat, is an arrogant presumption – an act of ὕβρις – which negates the fair, the human, presumption of innocence of those we do not personally know, we have no empathic knowledge of, and who present no direct, immediate, personal, threat to us or to others nearby us.

Such personal self-defence and such valorous defence of another in a personal situation are in effect a means to restore the natural balance which the unfair, the dishonourable, behaviour of others upsets. That is, such defence fairly, justly, and naturally in the immediacy of the moment corrects their error of ὕβρις resulting from their bad (their rotten) φύσις; a rotten character evident in their lack of the virtue, the skill, of σωφρονεῖν. For had they possessed that virtue, and if their character was not bad, they would not have undertaken such a dishonourable attack.”

The Seofenfold Way of Noctulius Waffen

Neophyte:

1. Study and write commentary upon the Corpus Hermeticum particularly the Pymander tractate. As well as Hostia Vol. I-III, Black Book of Satan, Naos, Deofel Quintet, Tales of the Dark Gods, Grimoire of Baphomet, Qu’ran, Bhagavad Gita, Bible, Talmud, and Antigone as translated by D.W. Myatt. Lastly study and internalize Hysteron Proteron and the 21 Satanic Points.
2. Undertake a Mass of Heresy then 9 days later a Rite of Defiance.
3. Undertake a Jihadist Meditation.
4. Find and hunt wild game with primitive weapons, cook and clean it.

5. Undertake Ritual of Self-Initiation by Dedicating yourself mind, body and soul to Satan and the Dark Gods.

Initiate

1. Confront the feminine side of yourself if male, and masculine side if female. You can do this via a suitable lover who is or is not interested in your way of life. If you are predominantly Sinister seek a Numinous partner and if predominantly Numinous seek a Sinister partner.
2. Undertake a Personal Insight Role for 1-2 years as: a) police officer or military personnel if opposed to authority and undisciplined, b) become the life of the party and enjoy wine, women and all the finer things if prior one was miserly, introverted and bookish, c) become for a period a Buddhist, Catholic or Hindu monk where one is celibate and vegetarian. This can be performed at home if needed, d) undertake a insight role as an antifascist if “neo-nazi” or “neo-nazi” if antifascist, or e) become a modern day heretic and espouse controversial opinions publicly such as Holocaust Revisionism or Denial. Historically now defunct insight roles: a) assassin, b) mercenary, c) communist dissident, d) national socialist or neo-nazi, e) Islamic Jihadist, f) cat burglar testing individuals according to Guidelines for Opfers or g) Baeldracian living.
3. Undertake the Ritual of Opening the Abyss. For a period of 30 days or more spend 1-3 hours in a Cemetery (preferably nights with a crescent fingernail moon or new moon) between hours of 12am to 3am with a large Quartz tetrahedron if full moon vibrating Noctulius followed by Agios o Baphomet 7-9 times in the final 18 minutes or Nythra Kthunae Atazoth on nights of New Moon and then vibrate Agios o Asoth or Agios o Atazoth. You should obtain earth for petrichor incense here perhaps. Incense to offer on full moon: musk, frankincense, myrrh, jasmine, cinnamon. Indoor workings use silver and white candles. New moon: sulfur and henbane. Black and red candles. Using an obsidian sphere on the altar to peer in. You should seek to consciously establish a link to the Dark Gods. Once you’ve noticed success for one to two weeks on minimal sleep, food and water burn Alder incense and perform Shugara Pathworking. In a forested area at night is best. When results have been achieved intone Binan Gath Wa (the power within me is great) and vibrate/chant Nythra. Following weeks do one Pathworking with a Dark God a week.
4. Create a work of “magick” Aeonic or otherwise using: musick, painting, novel or short story, poem, or other artforms. Try one of each. Record any workings in a spiral bound plain notebook with a black cover with a pentagram inverted or otherwise in white.
5. Practice and perform these: one love or enchantment spell, one lust or sex spell, a spell for money, a curse, and one of success in magick and the occult.
6. Achieve all three of these physical ordeals: Hike 50 km in under 6 hours with a 25 lbs pack in uneven terrain. 10 mile run in 80 mins. Bench press 80% of bodyweight for 3 reps or more. A resistance-based training regimen which focuses on strength, muscular endurance, and cardiovascular health should be undertaken for a period of 4 months.
7. Create your own Star Game, Tarot, Commentary on Tree of Wyrde and Naos.

External Adept

1. Recruit 3-5 people for a local chapter of Noctulius Waffien or O9A nexion. Run it for 6 months. Devise your own Ceremonial Rituals based upon those available or using those available. Whilst performing this undertake an external form using a political, religious, or business. The nexion or Temple is the esoteric form and the exoteric form is political, religious or business oriented. It should be self-sufficient and able to provide income for all members. And at least enough for yourself to survive. You may run it with your lover.
2. Study the Vindex Mythos and O9A Corpus. Undertake anythings you feel necessary to perform.
3. Base your temple upon Traditional Satanism if following original Hebdomad or Open Source version of Hermetic Golden Dawn. Avoid use of kabbalah, goetia, and non-O9A sources for ritual work. Acceptable to run a Wiccan or Neo-Pagan coven as well.

Internal Adept

1. Spend a period of 6 months isolated in the wilderness beginning in Winter or the start of another season.
2. Travel and live abroad for 3 months.
3. Study the Numinous and O9A sources in depth.

Master/Mistress

1. Undertake any workings as needed — at this point you will know instinctively.
2. Guide an individual from Neophyte to Internal Adept.

Grand Master

1. Improve and work upon Aeonics, Dialectic, Hebdomian Way, Historical Tradition, etc.
2. Ritual of Abyss

This system is preoccupied with creating Rounwythas those who are Rounwythas already do not need it. If it is sufficient to follow the new Hebdomian way or original in lieu of these as well. The stage of Baeldracian should last 2-6 years until one moves on to the stage of Rounwytha.

There is no emphasis on crime, terror, violence, antinomianism, hate, genocide, etc in our group.

The Sigil of Noctulius Waffen

The Arabic text is for Atazoth the most powerful of the Dark Gods and according to some sources not only a flow of azoth — ie the acausal into the consciousness causing alchemical change the “light of Luciferian overcoming” and/or black sulfur but the Cosmic form of Shaitan. We identify Atazoth as the male counterpart of the Divine Hermaphrodite. Visnu. Asoth with it’s female counterpart in a malignant sense ie Kali stomping on Shiva. Davinca we identify with Gaia, Sophia, Kali, etc. many sources. But primarily Nature herself. And place emphasis on the woman due to woman being gifted knowledge first via the serpent in defiance of seemingly but in line with the divine plan for humanity. The demiurge as it were sees itself as the ruler or divine or sole source in some Gnostic texts. However, we view the demiurge as a being who became the universe and to which humanity as a collective whole once reaching a certain evolutionary stage will merge with to create other Universes. However, with true gnosis and finding the lapis one can exit this and co-exist with the Supreme Brahman after transcending the Impersonal Flames of Brahmajyoti. Where we can have the supreme in male or

feminine form even as an eternal lover or maidservant. If we are advanced enough and escape the endless cycle of creation and destruction.

Our consciousness at death affects this so we must be prepared to find the lapis before our deaths and ensure we have really found it. For our aim is religion but our method scientific.

Even the Sevenfold Way itself is an abstraction. In a Gnostic sense it means to no longer be influenced by spheres ie no longer influenced consciously or unconsciously by causal forms which are not existent in reality but exist to explain reality or impose something upon reality.

The Magian in our eyes are seen as those of the patriarchal, might is right, misogynistic, and even pedophilic ethos found in the Talmud. But do not have to be Jews either by birth or conversion. It is merely a description of the ethos which dated back over 2000 years. However, in modern times it is reflected in capitalism, debt, usury, hate speech laws, Holocaustianity, etc. And held predominantly by males who are white and see themselves as puffed up on material energy due to wealth, looks and social status see themselves as untouchable or God-like. When a true God-like individual is more like Kristos (Christ).

Joining Noctulius Waffen?

Joining Noctulius Waffen involves basically meeting face to face with my person after a 3-6 month probationary period. Or with an Outer Rep if I am not around. It is the kernel or hard outer shell of the O9A-way I espouse in contrast and contradiction to that of the Tempel ov Blood – a fake nexion and the O9A as espoused by O9A.org and its various often defunct “nexions” it links to. Thormynd, Chloe and my way are all one and in the same in essence. It is a mistake or misunderstanding to see a contradiction between Noctulius Waffen, and the O9A.

Noctulius Waffen is simply the piece of territory I’ve marked out to set up under the O9A banner and thereby seek to influence the O9A in a positive direction. I do hope some day it will be more formally and publicly accepted what I am doing but at the end of the day it’s irrelevant.

All that matters is:

- a) Survival of the Tradition
- b) Continuation and evolution of the O9A itself and said “exoteric” forms of the Tradition.
- c) To continue the mythos and mазern of dark passages and alleyways which lead to either Godhead or psychosis or other japes.
- d) To forge my name in history itself.

Yes that is right. I desire to become historically known for my contributions to society. I seek out influence, wealth, and fame and when my movement is built I will give it to the common man and humbly step down.

Those who prior only witnessed lies, obfuscated semi-truths by Joshua Sutter and antifascists, or believed outright comedic tropes that I never imagined anyone would take serious have all been japed.

And indeed I do seek to work with police openly on some level. As it is a genuine heresy to promote the police in a society which hates them and resents them.

Noctulius Waffen aims to create a paramilitary outfit to assist the Ukraine in battle as well. And to create political and religious forms which become over Aeons dominant. And lead to the O9A basically enacting a one-world government of de-centralized folk communities more often than not rural based. Where there is no tyranny and individuals are free to pursue whatever they wish. And that is capable of colonizing the Solar System, our own Galaxy and the Galaxies beyond ours.

It is rather irrelevant with such a Cosmic and Aeonic scope to focus on Satanism and National-Socialism don’t you think? Both of which are irrelevant nowadays or lost their luster.

Consider for a moment a modern neo-nazi. He loves Donald Trump. Loves Christianity in a fundamentalist sense. Often votes Republican. Is for War in the middle-east ie he supports War on Terror and War on Drugs. Sees the Holocaust perhaps as a real necessary event or myth doesn’t matter really because they still accept “neo-nazism”. And posts on forums such as Stormfront all day or /pol/.

Consider for a moment an Atomwaffen member. They support pedophilia, rape, extremist Islam, extremist Communism, “neo-nazism”, pro-genocide, pro-hate, pro-drug, etc. Just whatever they can dig

their nails in which is edgy or rebellious. Often accomplishing nothing except uttering death threats which are idle. Or getting themselves arrested. Most of these incidents overlap with the incel crowd I believe as they end up as “Columbine”-esque mass shooters or wannabe Unabombers. Pathetic.

Consider for a moment a typical Noctulius Waffen member. They are honourable, loyal, dutiful, mindful of other cultures and people around them, celebrates as a result diversity, respects their own women and children, abstains from public intoxication, is in good shape, well read and educated. Capable of being both a poet, monk, and soldier. I prefer “Soldier” to warrior. But it is synonymous in my usage.

Noctulius Waffen is thus “Ironpilled” and “Fringepilled” whilst others are “redpilled”, “bluepilled”, “blackpilled”, etc. We know there is a spiritual higher calling for us. But also a very practical one and necessary one to function in society. Not as it’s barbarians but as it’s creators and mystics and artists.

So we do seek to do real world Charity work especially for War Veterans, retired Police Officers, families of unfortunate tragedies such as housefires, children who’ve been abused or are sick, and women who need help escaping from domestically abusive relationships.

And we do wish to train survivalist militia training camps using not illicit weapons in a safe and open manner which conforms to legal standards. And invite outsiders to cordially watch and if interested become prospective members. We engage in camping trips, hiking, hunting, trapping, fishing, mountaineering, etc. As well as training for worse case situations and military-style training. As well as skydiving, ziplining, scuba diving and marathon running. As well as powerlifting and strength sports.

We do not wish to recruit anyone under the age of 25 as they will not have matured to the point they need to be. We would prefer as well to recruit those who are already External Adepts but will take those who are new. Neither do anyone have to follow either way of life. But to take and apply what works and leave out the rest. If someone fails they fail they can try again or just continue living life. There is no exile or excommunication except in very severe cases with no one able to justify keeping them on board.

Thus we do seek to recruit police officers, military personnel, athletes, survival experts, and other hands on doers who are also intellectually gifted. The average IQ of a Noctulius Waffen member is 124 IQ according to Stanford-Binet but since IQ is an abstraction we have our own aptitude and personality tests.

We prefer those who are Extroverted or Introverted Intuitive and balanced between logic and feelings. And are either focused upon the practical work to do ie “masterminds” such as INTJs, empaths such as “INFJs”, or philosopher types such as “INTPs”. With a few essays required and a copy of government photo ID.

Will this be seen by police? Quite possible. Whenever a police officer may inquire to a member or other questions we will co-operate fully. None of our members are allowed to be criminal or engaged in criminal activities publicly.

So on one level we are a social club with an outdoors and love of airsoft and paintball and fitness but on another level an esoteric occult order. And the funnel and rabbithole leads to the O9A itself. Which

does not mean you get to meet Myatt and Chloe etc or even speak to them — in fact if one was prudent they can find both online rather easy and speak to them.

It simply means that via this process much like a dye hitting water a new alchemical process occurs in the O9A which changes it and it improves and grows and shapeshifts again. But it keeps it alive and kicking.

Crime really is quicksand. Anyone who is a professional criminal into old age I doubt lived a happy life. You want to consider is it worth it to do prison time or necessary? Except in certain circumstances where a law is tyrannical and dishonours you and you have no other choice but to break it and then face up to the resulting punishment then my answer is no. Having spent time in prison and mental hospitals. I will tell you there is no hell quite like prison. And yet a coward dies twice. Sometimes it takes a real man to do the right thing whether it is legal or illegal. And it doesn't need to result in mayhem and deaths and shouldn't ultimately.

Esoteric Vampirism

After you have developed your Astral senses enough no amount of sleep paralysis or attacks are effective. In fact you encourage others to feed on your Blood Essence so that you can nurture them

with alchemical change. Central to our Vampiric practices is the Tendril. And the Black Meditation both in the Cemetery and with the Obsidian(Black) Mirror or Sphere. As well as continual invocations to the Dark Gods as espoused in Naos. At times blasphemy of religion or society is needed but this should be a private matter. A solo Black Mass is quite effective at conjuring the energies necessary to reverse both Nazarene mindset personally and in one's local area.

When one has gone back to Nazareny and converted fully and no longer desires the Satanic then you should take a symbol of said religion and defile it and then destroy it. And once more make a Blood Pact with the Devil. Until said religion cannot influence you anymore. Praying to the Satan. Meditating upon the Devil. Living a Satanic life are all good and useful yes. But again must remain due to it's nature off-limits publicly and due to being suited for a minority lived by only perhaps at time of writing 5 or 6 individuals worldwide in the West at least and most definitely Asia and elsewhere.

Satanism should be naturally evolved beyond the stage of External Adept to no longer be Exoteric but be Esoteric and allowed to shapeshift in whatever forms your individual Wyrde allocates you to weave and form. We say Wyrde but we also mean at this point the Empathy for the Sinister and Darkness has been created but also later on for the numinous as in the Internal Adept. The stages of the Sevenfold Way to many are unnecessary and there are better ways or should I say easier ways no doubt.

However Vampirism is superior as it allows one to achieve in Four Stages what would normally take Seven. And it is due to the leeching of acausal energy and the process of being fed upon by the Undead Gods themselves leading back to the original source of Atazoth. Mixed with Mysticism of Buddhism, Hinduism, Gnosticism and Islam it becomes absolutely powerful. As long as one is well read in the O9A corpus and understands the esoteric and exoteric elements of what the Hebdomian is supposed to achieve and how esoterically it has never changed. The O9A has remained vibrant evolving but also steadfast in what it is. It does not matter if tomorrow we were all larping as purple dinosaurs or Carebears we'd still be the same.

That sameness is earned and achieved by trials and ordeals only few are capable of doing and fewer have actually done. It is not earned by demanding it nor appointment. It does not depend on race but those who are turned off by racism will naturally fail being unable to confront the shadow self. Or those who are racist naturally will fail if they cannot come to understand what race is. Exoterically race is a biological concept created by Nature throughout history and never in one localized geographic region. Of the races Whites, Asians and Arabs dominated and in that order. And then Whites via 2000 years of social engineering, the downfall of the Third Reich and resulting lies about it and inability for neo-nazis to evolve beyond the mundane level, as well as other Magain forms such as Communism, capitalism, etc. engineered a domesticated tame race of obese slobs that are sexual promiscuous and agoraphobic at the same time.

Whites can never now or ever become anything more than the foolish failures they are at this point. And it is all too good to say good riddance to whitey. They deserve the fate they get. In my opinion blacks, Asians and Hispanics are more suitable heirs to the Satanic Tradition. Which is in it's evolved form Wamphyric-Luciferian.

This is where race ceases. Because after the second stage of the Vampiric Path of Nigredo the resulting Putrefaction of the Soul via the ISD Programme and our Tenebrae creates someone who is dead but

animated by the same forces they once worshipped. And then after the fourth stage they integrate their original personality into the new one created by the Dark Gods and Vampirism to emerge as a God-like being which is Sinister-Numinous. And Homo Sol or Homo Solaris.

At this point race has become irrelevant because one is a Noctulian or Ubermensch. And whilst we may see humans as inferior we do not seek to actively prey or plot against them. Instead our thoughts have drifted from the mere hollywood horror gothic style vampirism which initially attracted us to the movement or better yet the Satanic aspects towards that stage of higher taste. An Alien in a human body.

We are Dark Immortals.

And it is lucky for everyone we desire those who are of clay to become as those who are of fire.

The initial seed for us to seek out such evolution comes from our Cain bloodline in spirit and genetics. We are offspring ancestrally of Titans or Nephilim. Our mentally inferior counterparts are Nosferatu types who are obsessed with blood and gore. Our female Tenebrae are as Daughters of Baphomet and the race known as Lilitu. However, we are different than all three.

We are the end result of what the Tempel ov Blood originally aimed to create: Noctulians.

And via this Solar System we will create a new aeon: the Solar Aeon and lead humanity towards the Galactic Imperium and beyond. Our Dark God Vindex is that Genghis Khan-esque figure Kalki who severs the heads of all the humans who chose to de-evolve and remain as clay.

Thus for us to do terror or acts of terror after a certain stage at least is fruitless. As we have full faith that our Vampiric God Atazoth will deliver to us a new incarnation via ay-Shaitan and enact justice upon the scorched Earth.

We merely wait for our fleshy bodies to die so we can be freed from our material prison and go back to the acausal darkness which is our true home.

Label us insane if you will. But this is not mere fantasy. We are a Hideous Intrusion into Reality. Lovecraftian tendrils grasp around you dear reader and pull you in to taste your sweet nectar.

Note: this work is a work of fiction. Written from a POV. It is not to be taken seriously.

Genuine Satanism of the Sinister Tradition

How many times do we the Order of Nine Angles have to define what Satanism is for the plebian unsophisticated and unwashed hard of braying asses online too weak willed and feeble to live a life such as we the Nine Angles?

Satanism has been said before is a Nietzschean philosophy of living on the edge, transgressing your own personal limits and overcoming them and in other words embodying the archetype of Satan by opposing all that is predominant in a society at a given time by legal or otherwise methods.

Still these braying asses such as Satanic Front add to the mixture that the O9A is weak and soft and not scary. Whilst themselves being a laughing stock of racial Amerimutts who are incel and either steal their family members guns to pose with online or live I'm sufficiently white trailer park trash towns and hoard guns like any other redneck.

They say that the O9A is merely based off kabbalah and Thelema. Or a plagiarized version of things. And the National Socialism they practice is of the same nonsensical caliber ie they are Hollywood Neo Nazi types.

Such cowardly wimps and limp sundry dweebs are a disgrace and slander Satan's name.

Aeonics In Theory and Context

Before anyone starts here it is recommended to study Naos and Vindex: Destiny of the West. The current Aeon is the Western Aeon. It's political form is represented by National Socialism and esoteric form by Satanism and Satan himself. Following the Western Aeon is the Galactic Aeon and prior to the Western Aeon was the Hellenic one.

However things are not as cut and dry due to 2000 years (or more) of social engineering by the Magian leading to the hubrati, capitalism, Communism, nihilism etc.

The sad truth for many Westerners is the West has died and will not be returning to its former glory ever. We can only hope to draw down the next Aeon which due to it being undefined is limitless in potential for the creation of new religious and political forms.

An evolution of National Socialism can be used as a political form or even Communism itself if properly subverted. Gnosticism or Islam or Hermeticism can be used as examples of religious forms.

The Sinister Dialectic of History is to oppose whatever pre dominates in a society at the basic level. Which today is slave morality, capitalism, sexual promiscuity, drug abuse, ghetto urban culture, communism, and egalitarianism.

The Aeonic Form Noctulius Waffen takes is its own form. It in itself is doing its own Aeonic work for us and ultimately for the O9A in an esoteric context.

Noctulius Waffen supports a one world government with a one world religion and one world leader. Which is capable of going into the Solar System to colonize it as a first step.

We are unconcerned with evolving or changing the O9A to one way or the other. As Noctulius Waffen is more important and more viable at present.

We just show our dues and pay our homage.

Stillness of the Mind

The mind should be taught how to relax and shut itself off. For a year at least one technique can be employed and has been used by NW members for years.

1. Sit on the floor or on a mat in the Lotus position with the back straight and the eyes closed.
2. Seek to remain motionless, thoughtless and focused solely upon the breath. Each inhale should last 4 seconds. Hold it in the chest for 4 seconds. Exhale for 4 seconds. Repeat the process.
3. Once 45 minutes has been attained doing this start to meditate upon the image of a flower growing in a garden.

Once this is accomplished one should learn to focus with the eyes open and other senses engaged. With sandalwood incense and a photo or idol of Radha-Krsna and Maha japa Tulasi beads focus on chanting softly but attentively:

Hare Krsna Hare Krsna Krsna Krsna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

For at least 108 times daily. Once skilled move to 4 rounds daily.

After a period of 1 year this practice is optional. Other mantras are fine to use as well.

Playing Games With Mundanes

The O9A is rather infamous for whilst promoting honour acting rather sly to its opponents among other machinations. So for all those saying poser, larper or get out do some terrorism dude kindly shut your mouths.

Typhonian Current

There is within our ranks a Typhonian Current that is unique to us. Typhon is the Grecianized version of Set or Seth who is the Earth-bound incarnation of the Cosmically-bound Apep. Note: Apep is Apsu as well and of course by proxy Atazoth.

Apep (Apepi, Aapep, Apophis) was a demon of the underworld, in the form of a giant water snake. It was believed that he was created when [Nit](#) spat into the primeval waters of [Nun](#). He was the enemy of the sun god, trying to stop him as he travelled on his barque through the underworld each night. He was so powerful that little could defeat him, and even then, he was back again the following evening to threaten Ra. He was a demon outside of [ma'at](#), the opposite of order, a demon of darkness and chaos.

Apep was never worshiped, but the ancient Egyptians protected themselves against him – he was a threat not only against people and the gods, but against [ma'at](#) and creation itself. As a demon of the unknown and related to frightening events such as unexplained darkness (solar eclipses were interpreted as a victory of Apep over Ra as he swallowed the solar barque), rituals were followed to ensure he could do no harm. In this, he was linked to [Set](#), who also had eclipses, thunderstorms and earthquakes attributed to him. Despite this two Hyksos rulers of the 15th Dynasty – Apepi I and Apepi

II – may have named themselves after Apep (though the spelling is different – these rulers used    ). During the Late Period, a wax model of the water serpent was cut into pieces and burned. A picture of Apep on papyrus, drawn in green, was sealed in a box, spat on, and burned. Rituals such as these were thought to give protection against Apep.

The Secret History of Satan and the Jews

The word “diabolos” (διάβολος) comes from the verb “diaballo” (διαβάλλω) which means, among other things, to deceive, and to slander. It is still used in that way in modern Greek. The term “diabolos” was used instead of Satan, so that the evil spirit wouldn’t be called out.

Devil does come from diabolos, and diabolos does come from dia- “through, across” and ballō “to throw”, as in ballistics: diabolos is the noun/adjective corresponding to diaballō. The word diabolos already shows up in Pindar (so Eustathius of Thessalonica, noting that Pindar used the word to mean diableus—which is cognate and synonymous to diabolos). It means “slanderer, backbiting”. It was used plenty in that meaning by people like Aristotle and Plutarch and Athenaeus (and as an adjective by Aristophanes)—

Aristophanes Knights 45: “The beginning of last month he bought a slave, a Paphlagonian tanner, an arrant rogue, the incarnation of calumny” (literally: “the diabolos-est”)

Athenaeus 508e: “For Euphraeus, when he was staying with king Perdiccas in Macedonia

, was not less a king than the other, being a man of a depraved and calumnious disposition” before it was picked up by the Septuagint to refer to a generic enemy—

Esther 7:4 JPS: “But if we had been sold for bondmen and bondwomen, I had held my peace, for the adversary is not worthy that the king be endamaged” — more freely translated in the NIV as “If we had merely been sold as male and female slaves, I would have kept quiet, because no such distress would justify disturbing the king.”

and then by the Magians for ‘Satan’:

1 Chr 21:1 NIV: “Satan rose up against Israel and incited David to take a census of Israel.”

And of course, the New Testament followed in the Septuagint’s footsteps.

In Greek:

- διάβολος (diabolos ‘accuser, slanderer’), from the verb διαβάλλειν (diaballein ‘accuse, calumniate’).
- σατανᾶς (satanās) or σατᾶν (satān), from the Hebrew שָׂטָן (śāṭān ‘adversary, opponent’).

The ancient Greek word δαίμων (daimōn ‘deity, spirit’) has come to denote fallen angels—not only the devil, but all his angels as well.

Some people, especially the older and more religious, use euphemisms for the devil. These include ἀκατονόμαστος (akatonomastos ‘he-who-must-not-be-named’) and ὁ ἔξω ἀπὸ δῶ (ho exō apo dō ‘the out-of-here’).

The Late Latin word is from Ecclesiastical Greek diabolos, which in Jewish and Christian use was "the Devil, Satan," and which in general use meant "accuser, slanderer" (thus it was a scriptural loan-translation of Hebrew satan).

Old English *deofol* "a devil, a subordinate evil spirit afflicting humans;" also, in Christian theology, "the Devil, a powerful spirit of evil otherwise known as Satan," from Late Latin *diabolus* (also the source of Italian *diavolo*, French *diable*, Spanish *diablo*; German *Teufel* is Old High German *tiufal*, from Latin via Gothic *diabaulus*).

Diablo devil Satan is "the accuser of the brethren," in Revelation. The Greek also shows earlier roots in *dia*, across, and *bolus*, meaning clod, or ball that was thrown, thus ball-thrower. The ancients saw Satan as the force behind the meteoric cosmological catastrophes that are recorded in most ancient writings.

Etymonline's entry provides a little hint:

O.E. *deofol* "evil spirit, a devil, the devil, false god, diabolical person," from L.L. *diabolus* (also the source of It. *diavolo*, Fr. *diable*, Sp. *diablo*; Ger. *Teufel* is O.H.G. *tiufal*, from Latin via Goth. *diabaulus*), from Ecclesiastical Gk. *diabolos*, in Jewish and Christian use, "Devil, Satan" (scriptural loan-translation of Heb. *satan*), in general use "accuser, slanderer," from *diaballein* "to slander, attack," lit. "throw across," from *dia-* "across, through" + *ballein* "to throw" (see *ballistics*). Jerome re-introduced Satan in Latin bibles, and English translators have used both in different measures. In Vulgate, as in Greek, *diabolus* and *dæmon* (see *demon*) were distinct, but they have merged in English and other Germanic languages.

διάβολος, -ον, (*διαβάλλω*, which see), prone to slander, slanderous, accusing falsely, (Aristophanes, Andocides, Plutarch, others): 1 Timothy 3:11; 2 Timothy 3:3; Titus 2:3; as a substantive, ὁ διάβολος, a calumniator, false accuser, slanderer, [see *κατηγορέω*, at the end], (Xenophon, Ages. 11, 5; [Aristotle, others]): Sept. Esther 7:4; Esther 8:1. In the Bible and in ecclesiastical writings ὁ διάβολος [also *διάβ.* without the article; cf. Winers Grammar, 124 (118); Buttmann, 89 (78)] is applied κατ' ἐξοχήν to the one called in Hebrew *שָׂטָן* , ὁ σατανᾶς (which see), namely, Satan, the prince of demons, the author of evil, persecuting good men (Job 1; Zechariah 3:1ff, cf. Revelation 12:10).

To the ancient Greeks, it wasn't a good evil dichotomy, it was one of Order and Chaos. The Gods were agents of Order, bringing the universe out of its Chaotic state and into an ever expanding one of Order. The Olympians are "good" in that they are Order. The Titans, are beings of primordial chaos. They are beings of nature, without any order. To the Ancient Greeks, that was seen as not good, thus, evil. And here is the origin of the Magian distortion of Nephilim. Originally it has a Hellenic source. The Titans who were later killed off by Zeus.

I'll quote a translation of Hesiod below, where you can see that they are most definitely not the same as us humans, and like others that came before us, they all died off:

First, the immortals who dwell high up on the top of Olympus
Fashioned the firstborn race of articulate men, which was golden,
And it is said that they lived when Cronus was ruling in heaven.
Godlike, they lived like gods, and their hearts were entirely carefree,
Distant strangers to labor and suffering; neither did wretched

Age overtake them; instead, their members intact and unchanged, they
Took much pleasure in banquets and parties, apart from all evils
Till they died as if sleep overcame them. And everything worthwhile
Came to their hand, as the grain-growing earth bore fruit without tilling,
Plenty of good food crops unbegrudged; so they lived at their pleasure,
Peacefully minding their own business, amid numerous good things.
Wealthy in flocks were they and beloved of the blessed immortals.
After this whole first gold generation was finally buried,
Even today they are called pure spirits inhabiting earth and
Noble protectors of mankind, warding off evils from mortals,
Givers of wealth, which royal prerogative still is their business.

When Jerusalem was conquered and destroyed by the Neo-Babylonian Empire (587 BCE), some Jews were taken into captivity in Babylon. Cyrus the Great then conquered the Babylonians in 550 BCE and established the Persian Empire. The state cult of Persia was Zoroastrianism, founded by the prophet Zoroaster. Evil was seen as the polar opposite of good. A pure, good being, Ahura Mazda ('Wise Lord') was the source of everything, and at the polar end was druj, chaos. Druj became personified as Angra Mainyu ('false', 'deception'), also known as Ahriman.

The heavens, the earth, and all humans fall within this polar range.

Cyrus permitted the Jews to return to Jerusalem (539 BCE), although some stayed. They took many elements of ancient Persian religion with them, and they merged the personification of chaos with earlier views of ha-Satan. Now he was just Satan or, in Greek, diabolos, the Devil, and the Jews began assigning all evil to Satan instead of God.

In another text, Jubilees, more Devil lore was added. Satan's name here is Mastema (which means 'hated' or 'hostility'). We learn that Mastema wanted to be higher than God and rebelled. He and his fellow angels were tossed down into the bottomless pit. Satan became the fallen angel. God wanted to destroy all the demons after the flood, but Mastema asked God to let him have a tenth of them to continue to plague men because "the evil of the sons of men is great" (10:8).

With God's permission, Mastema became the tempter who was written back into earlier stories. In Jubilees, it was Mastema who was permitted to test Abraham with the binding of Isaac. In other words, God's omnipotence remains intact; Satan could not do his work without God's permission.

In one of John's visions, he referenced Isaiah 14, a polemic against the king of Babylon. Isaiah castigated the king who titled himself "day-star" for his hubris of thinking he was divine: "How you have fallen from heaven, morning star, son of the dawn!" When Jerome translated the Hebrew scriptures into Latin in the 4th century CE, he knew that the Romans named their morning star - the planet Venus - Lucifer and translated the passage as such. Lucifer became the most popular name in the Middle Ages.

While his body was in the grave, Jesus' soul traveled to Hell where he battled Satan for the souls of the righteous. When the stone was rolled back, these righteous souls came with him (Adam, Noah, Moses, Plato, and Aristotle). The idea that Christ "descended into Hell [and] on the third day, he arose again" became embedded in the 4th-century CE Nicene Creed. By the early Middle Ages, the story was known as the Harrowing of Hell. The word, 'to harry' meant a raid or incursion, such as the Viking raids.

Christian leaders in the 2nd century CE adopted the method of the personification of evil against Jews, women, heretics, and all things pagan. The native cults believed that the gods resided in their temples, but these were agents of Satan. The first iconic portraits of Satan came from the Greco-Roman fertility deity, Pan, who was half-man, half-goat. This is how Satan got his hooves and horns. Pan was represented with and was famous for a huge, erect phallus. This appendage became common in describing Satan. At first, drawn black, red became the standard color in his association with hellfire.

It was also in the 2nd century CE that both Christians and Jews - the early Rabbis - applied new understandings to the story of the fall. This is when the serpent became fully identified as the Devil in disguise and Eve took on more significance as the primary sinner in Eden. With misogynistic views of all women, Eve was understood to have been seduced by the serpent (because of that huge phallus), and then she seduced Adam. In the Rabbinic treatise, Genesis Rabbah, Eve's sexual shame is why women remain veiled, and that menstruation was the punishment for shedding the blood of Adam. Tertullian, a 2nd-century CE Church Father, claimed that through Eve all women were the "Devil's gateway" and because of Eve "even the son of God had to die" (On the Apparel of Women, I).

The religious traditions of Europe (the Celts, Druidism, and Teutons) added other characteristics. The Celts had a horned god of the west, Cernunnos, similar to Pan. The daughter of Loki had a dual role in fertility as well as rule over the dead, and her name became incorporated to the place 'Hel' or Hell.

With animal characteristics, Lucifer and his demons had the ability to change shape, and so a constant watch was necessary. One could trick Lucifer and repel him with signs of the cross, holy water, the rosary, and communion wafers. Based upon feudal relationships, the concept of a pact arose in selling your soul to Lucifer in return for prosperity (the famous story of Faust). Only the intervention of Mary, the mother of Christ, could break the pact. This is when exorcism rituals were developed that are still taught to certain Catholic priests.

Dante Alighieri's (1265-1321 CE) *Inferno* depicted Satan as a three-faced monster in the lowest section of Hell (ice, the furthest from the light), with giant bat-wings. For Dante, the greatest sin was betrayal, and Satan consumes Brutus, Cassius, and, of course, Judas.

A History of Satan

ONA

A Short History and Ontology of Satan

According to the Order of Nine Angles

A Short History of Satan

The story of Satan is vulgarly regarded – according to popular and Nazarene belief – as making its first appearance in what is regarded as ancient Biblical times, with a short history of, and stories about, Satan being provided in various parts the Old Testament, where Satan is described as a fallen (or rebellious) angel of the supreme deity commonly referred to as God, who rebelled because of His pride. In this story, one of the functions of Satan is to tempt human beings, and lead them away from the teaching, the revelation, the laws, of God.

In what are regarded as the oldest parts of the Old Testament – most probably written between 230 BCE and 70 BCE – Satan is depicted simply as a rather sly adversary or opponent, with a human being who opposes any of God’s so-called “chosen people” sometimes also called a satan. Over many centuries, both the story and the ontology of the Biblical being named Satan were further developed, particular by Nazarenes.

However, there is good evidence to suggest that, historically, the writers of the Old Testament drew inspiration from, or adapted, older stories, myths and legends about a Persian deity that came to be named Ahriman, who could thus be regarded as the archetype of the Biblical Satan,

and also of the Quranic Iblis. Similarly, there is evidence that the God – Jehovah – of the Old Testament may have been based upon myths and legends about the Persian deity who came to be named Ahura Mazda.

The Order of Nine Angles presents a rather different interpretation, and history, of Satan, primarily based on what has been claimed to be an old aural tradition, handed down by a few reclusive Adepts of what has been, variously, called The Dark Tradition, The Seven Fold Way, The Sinister Way, Traditional Satanism, and Hebdomadry.

According to this tradition [1], the being now known by the exoteric name Satan is one of The Dark Gods (a.k.a The Dark Ones), who are entities existing, living, in the acausal continuum [2]. This Satan [3] is The Prince of Darkness and of Chaos, and He – along with some other Dark

Gods – is portrayed as a shapeshifter, capable of assuming human form, Who has visited, or been manifest, on Earth. at various times throughout our human history.

Thus, for the ONA, Satan is an actual living entity who lives in the acausal continuum, and Who can – by means of various nexions [4] – presence Himself in the causal continuum in some physical form and cause, provoke, or be the genesis of, changes there.

Furthermore, Satan – and other shapeshifting Dark Ones, such as the entity Baphomet, known to us in Her female human form – are considered as having been instrumental in guiding our conscious development, especially through the Chaos and Change wrought by Satanic Adepts through means such as the Sinister Dialectic. Satanic Adepts – and Initiates – are thus considered as doing the work of Satan, here in the causal, and on our planet, Earth.

One legend recounts Baphomet as the Bride, The Wife and Mistress, of Satan – and the Mother of all life on our planet, Earth. Baphomet is thus, according to this legend, that innate creative force, that cosmic energy, which permeates and which guides Nature upward by means of what we humans have termed evolution.

According to legend, Satan – and some other Dark Ones – first came to, or presented themselves on, Earth to and for us, many millennia ago, at the dawn of our human consciousness. In addition, Satan – as some other Dark Entities from the acausal – has, by virtue of their acausal nature, certain powers; that is, He – as They – can provoke, or cause, or be the genesis, of certain changes in we human beings (desired or undesired by us), as well as in our causal world (“events” on planet Earth). Thus, He – as They (and in particular, Baphomet) – can interfere in our human affairs, and have interfered in our human affairs, according to Their own nature. This “interference” is just another way of saying that certain acausal entities possess the ability to change, or alter, in certain ways, causal energy, and causal matter – and in particular the type of energy that is our human psyche, which itself is just a mostly latent nexion between the realm of the causal and the realms of the acausal. Satanic Initiation is a means to open this particular nexion, just as living in a Satanic manner keeps this nexion open, expands it, and allows for acausal energy to flow through it, bringing a new type of life to the Satanist, allowing them to

presence acausal energy (dark forces) on Earth, and providing them with an opportunity for an acausal existence after their own mortal dying. [5]

On The Ontology of Satan and His Name

According to the ONA, Satan and the other Dark Ones are simply acausal entities, existing – living – in the acausal continuum. That is, they are a particular type of natural life in the Cosmos, and were not created by some supreme deity, named God, or whatever [6]. They just are, and live according to their own, acausal, nature, in their own species of acausal Time and in the infinite realms of acausal Space.

Unlike ourselves, however – who are mortal fragile beings living for a brief period in the causal continuum and thus whose body is subject to the decay caused by the cause-and effect of linear, causal, Time – these acausal entities, by virtue of the nature of acausal Space and acausal Time, can be viewed as “immortal” and capable of instantaneous “travel”, both in their own dimensions, and in ours.

Thus, these entities are not what are commonly called “supernatural beings” – they are just a different type of being from we mortal human beings who live in the causal continuum known to us by means of our human senses. These acausal beings do not have, nor need, fragile, organic, bodies such as we possess, although – as mentioned – they can assume human form, when presenced on Earth [7].

The name Satan is only the traditional exoteric (the common or outer or non-responsive) name of this particular acausal entity. The esoteric “name” of this entity is a chant (a vibration of a particular frequency and intensity) which when sung or chanted in the correct manner (by two or more human individuals) in a particular type of resonant place where a certain shaped crystal is aligned correctly – re-presents the actual, responsive/reactive, human name of the entity.

This esoteric (secret and correct) name of Satan is based upon the Greek word that became the word Satan, and, historically, the ONA derives the name from Phoenician and thence, in a variant form, to Ancient Greek [8] – a Greek name borrowed and morphed by others, and thence inappropriately appropriated by the writers of the Old Testament, who wrote several centuries after the time of Greeks such as Aeschylus, and Pythagoras.

It is quite possible that it was the shapeshifting acausal entity known to ONA myth and legend as The Prince of Darkness, Who – interacting with human beings in certain ways in our historical past – gave rise to various stories, myths and legends, in many cultures at varying times, including the stories, myths and legends, about Ahriman.

Thus, it was some stories about the coming-forth-to-Earth of this particular acausal entity that eventually were used as the basis for the abstract, fantasy, “satan” described in the Old Testament,

redolent as this fantasy was and is – with its “chosen people”, its Prophets, its vengeful supreme Being capable of vanquishing Satan, its “sacred texts” and God-given laws – of a people suffering quite severely from the debilitating disease of abstractionism, manifest as this sickness often is in both the hubriati-syndrome and in feelings of being persecuted.

[1] As has been written many times in respect of such aural traditions, they are to be judged by each individual, on their merits, or otherwise. That is, no claim is made regarding them, by the

ONA, other than that they are aural traditions, and – like other folk stories, and other aural myths and legends – they may or may not contain some veracity, and may or may not contain accurate or interesting historical information.

[2] For the acausal continuum, see ONA texts such as *The Ontology and Theology of Traditional Satanism* and *A Brief Guide to The Esoteric Philosophy of The Order of Nine Angles*.

For a brief outline of The Dark Gods, refer to ONA texts such as *The Mythos of the Dark Gods: Beings of Acausal Darkness*.

[3] For a brief discussion of the name Satan, see the section *On The Ontology of Satan and His Name*, below.

[4] Nexions are a means whereby entities from the acausal may presence – be manifest, or travel – to the causal continuum, including Earth, and thus interact with, and affect, we human beings. For a brief outline of nexions, refer to ONA texts such as *The Meaning of The Nine Angles – A Collection of Texts, Parts One and Two*.

According to tradition, the vibration of the esoteric name of Satan, in the correct manner in the correct surroundings, opens a particular type of nexion and transmits a human call into the acausal which Satan may respond to.

[5] Refer to ONA texts such as *After-Life in the Esoteric Philosophy of The Order of Nine Angles*.

[6] The Dark, the Satanic, Tradition of the ONA states that such a supreme, creator, Being – such as God – does not exist, and that what we term God is just a human abstraction, an unnecessary human manufactured construct, a myth, which human beings, and thus certain religions and theologies and philosophies, have projected onto the reality of the Cosmos in a vain attempt to understand it, and themselves.

The Order of Nine Angles / Order of The Nine Angles

The Heretical Conception of History

The Past 2000 Years have been a reflection of the ethos of the Yahoud who have manufactured the forms of Zionism, Communism, and Christianity. And whether or not they are practicing Talmudic Jews they embody the religion of the “tribe” and that is to say Judaism is a religion of the blood not conversion.

I will quote here several sources from the Talmud itself:

Moed Kattan 17a: If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there.

Penalty for Disobeying Rabbis

Erubin 21b. Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell.

Hitting a Jew is the same as hitting God

Sanhedrin 58b. If a heathen (gentile) hits a Jew, the gentile must be killed.

O.K. to Cheat Non-Jews

Sanhedrin 57a . A Jew need not pay a gentile (“Cuthean”) the wages owed him for work.

Jews Have Superior Legal Status

Baba Kamma 37b. “If an ox of an Israelite gores an ox of a Canaanite there is no liability; but if an ox of a Canaanite gores an ox of an Israelite...the payment is to be in full.”

Jews May Steal from Non-Jews

Baba Mezia 24a . If a Jew finds an object lost by a gentile (“heathen”) it does not have to be returned. (Affirmed also in Baba Kamma 113b). Sanhedrin 76a. God will not spare a Jew who “marries his daughter to an old man or takes a wife for his infant son or returns a lost article to a Cuthean...”

Jews May Rob and Kill Non-Jews

Sanhedrin 57a . When a Jew murders a gentile (“Cuthean”), there will be no death penalty. What a Jew steals from a gentile he may keep. Baba Kamma 37b. The gentiles are outside the protection of the law and God has “exposed their money to Israel.”

Jews May Lie to Non-Jews

Baba Kamma 113a. Jews may use lies (“subterfuges”) to circumvent a Gentile.

Non-Jewish Children are Sub-Human

Yebamoth 98a. All gentile children are animals. Abodah Zarah 36b. Gentile girls are in a state of niddah (filth) from birth. Abodah Zarah 22a-22b . Gentiles prefer sex with cows.

Sanhedrin 106a . Says Jesus’ mother was a whore: “She who was the descendant of princes and governors played the harlot with carpenters.” Also in footnote #2 to Shabbath 104b of the Soncino edition, it is stated that in the “uncensored” text of the Talmud it is written that Jesus mother, “Miriam the hairdresser,” had sex with many men.

Gloats over Christ Dying Young

A passage from Sanhedrin 106 gloats over the early age at which Jesus died: “Hast thou heard how old Balaam (Jesus) was?—He replied: It is not actually stated but since it is written, Bloody and deceitful men shall not live out half their days it follows that he was thirty-three or thirty-four years old.”

Jesus in the Talmud: Horrible Blasphemies Against Jesus Christ

“The Talmud (Babylonian edition) records other sins of ‘Jesus the Nazarene’:

- 1) He and his disciples practiced sorcery and black magic, led Jews astray into idolatry, and were sponsored by foreign, gentile powers for the purpose of subverting Jewish worship (Sanhedrin 43a).
- 2) He was sexually immoral, worshipped statues of stone (a brick is mentioned), was cut off from the Jewish people for his wickedness, and refused to repent (Sanhedrin 107b; Sotah 47a).
- 3) He learned witchcraft in Egypt and, to perform miracles, used procedures that involved cutting his flesh, which is also explicitly banned in the Bible (Shabbos 104b).

Let us examine further some of these anti-Christ Talmud passages: Gittin 57a. Says Jesus is in hell, being boiled in “hot excrement.” Sanhedrin 43a. Says Jesus (“Yeshu” and in Soncino footnote #6, Yeshu “the Nazarene”) was executed because he practiced sorcery: “It is taught that on the eve of Passover Jesus was hung, and forty days before this the proclamation was made: Jesus is to be stoned to death because he has practiced sorcery and has lured the people to idolatry...He was an enticer and of such thou shalt not pity or condone.”

Rosh Hashanah 17a. Christians (minnim) and others who reject the Talmud will go to hell and be punished there for all generations. Sanhedrin 90a. Those who read the New Testament (“uncanonical books”) will have no portion in the world to come. Shabbath 116a. Jews must destroy the books of the

Christians, i.e. the New Testament.

Gittin 69a . To heal his flesh a Jew should take dust that lies within the shadow of an outdoor toilet, mix with honey and eat it.

Shabbath 41a. The law regulating the rule for how to urinate in a holy way is given.

Yebamoth 63a. States that Adam had sexual intercourse with all the animals in the Garden of Eden.

Yebamoth 63a. Declares that agriculture is the lowest of occupations.

Sanhedrin 55b. A Jew may marry a three year old girl (specifically, three years “and a day” old).

Sanhedrin 54b. A Jew may have sex with a child as long as the child is less than nine years old.

Kethuboth 11b. “When a grown-up man has intercourse with a little girl it is nothing.

“Yebamoth 59b. A woman who had intercourse with a beast is eligible to marry a Jewish priest. A woman who has sex with a demon is also eligible to marry a Jewish priest.

Here are two early “Holocaust” tales from the Talmud: Gittin 57b. Claims that four billion Jews were killed by the Romans in the city of Bethar. Gittin 58a claims that 16 million Jewish children were wrapped in scrolls and burned alive by the Romans. (Ancient demography indicates that there were not 16 million Jews in the entire world at that time, much less 16 million Jewish children or four billion Jews).

Minor Tractates. Soferim 15, Rule 10. This is the saying of Rabbi Simon ben Yohai: Tob shebe goyyim harog (“Even the best of the gentiles should all be killed”).

University of Jerusalem Prof. Ehud Sprinzak described Kahane and Goldstein’s philosophy: “They believe it’s God’s will that they commit violence against goyim, a Hebrew term for non-Jews.” (NY Daily News, Feb. 26, 1994, p. 5). Rabbi Yitzhak Ginsburg declared, “We have to recognize that Jewish blood and the blood of a goy are not the same thing.” (NY Times, June 6, 1989, p.5). Rabbi Yaacov Perrin said, “One million Arabs are not worth a Jewish fingernail.” (NY Daily News, Feb. 28, 1994, p.6)

The Talmud as one can see for themselves is a text that is primarily racist in nature and concerned with the Jews being the superior Chosen People of God who therefore have the right to do whatever evil or injustice or pursue whatever sexual perversion they fancy.

This called by the O9A the Magian ethos is embodied by the statement not of eye for eye or tooth for tooth but of might makes right. That whoever belongs to Tribe X gets to oppress and seek vengeance upon Tribe Y. And that reason is why Nietzsche considered punishment to make merely colder and

harder, based upon debt and the pleasure received from punishing a transgressor in an act of sadism and that the whole concept of revenge was decadent. It is de-evolutionary and concerned with enacting punishment based upon some moral or ethical code which suits whoever holds the most power. And today it is the Zionist or Magian with their das kapital and Amerikkkan puppet government which holds the most power. And therefore have created a sub-species of human known as Homo Hubris who is primarily White. And therefore can no longer be called Aryan or the sanskrit word for “noble blood”.

And in essence we should replace the word Aryan for Hyperborean for Western Ancestors as we descended from the North moved in the Indus River civilization and via the Hellenic civilization conquered that of the Persian. The Persian being based upon a continuation of Sumerian to Babylonian civilizations whose religion formed the basis of Judaism and of which Christianity is a continuation of. However, if we can pause briefly here and take a step back Christianity was not designed naturally or that is to say it did not occur as some sort of accident or out of the conditions of the enslavement of Jews and the similar low breed of sudra who the Roman Empire oppressed. Nay! For the Roman Empire in adopting Christianity and becoming decadent is the pre-historic Amerikkkan civilization. When the Roman Empire became Jewish or Christian then it became Amerikkka. For it went on to conquer by force the Germanic, Nordic, and Albion Pagans who had a matriarchal ethos and various war-like cults such as the Picts whom held in regard the Dark Goddess Baphomet as their deity of wealth, fertility, harvest and Mother Earth or Gaia. I would instead say Davinca not Gaia. And it relates to the Vedic Durga who in the ghastly sense of the material world that of night, war and the eternal conquest of time by a creative feminine force which is destructive ie that of Mother Nature herself is embodied by Kali-Ma. Not by Lilith whose original term is Lilitu or merely a female succubus or vampire and of which the Venusian sphere which is said to be associated with Darkat can be more properly named as Isis, Ishtar or Aterate. Azerate or Aterate may be known as the Babylonian or Sumerian Dragon Mother Tiamat who via her consort Apsu — who is remember now the Cosmic form of Shaitan and is Atazoth and in the Vedic sense is Visnu in his Cosmic Form — gave birth to offspring who were transgressive and opposed to the gods such as Enki and Enlil. Yahweh became based upon Enki or the God of Wind perhaps and then therefore ceased to be polytheistic and the fire gifted by the serpent was that to realize Yahweh is the false God or Yaldabaoth. In a moire not numinous but certainly lighter aspect could be known as Brahma but also perhaps Indra (Indra may be more associated with Dagon or Bael-Dago which is Baal the God of Storms and Thunder and associated with Mars as is the masculine force of Shiva or Rudra). And whence there was bad harvest or a plague of sorts became symbolized as the swarm of Locusts and disease via Pazazu perhaps. Upon which when we consider more carefully is the rage of Indra upon mortals. That of Storms and Thunder. And yet Shugara is herself — as I believe it to be a female force — associated with destruction and a hideous intrusion associated with rotting flesh. This could be Kali-Ma's destructive power in a ghastly sense but could be also a sort of embodiment of the Abyss and the denizens thereof who hail from the Dark Side

of the Moon or the Black Moon and are Vampiric space-farers who can also travel astrally and create rents or distortions in space-time whereupon wisdom that can drive a man insane or psychotic in a very Lovecraftian sense is imparted. That of the Elder Gods of Lovecraft. Who are sleeping as they are archetypes of the unconsciousness and collective unconscious yet real beings as well who due to their nature of being acausal are nonexistent and non-being. The Goetia perhaps hints at these demons and their martial structure but it is still Hebrew or Judaic in origin due to it's association with Solomon and use of "Yahweh" or Yeshua to command them to obey. Even in the Thelemic sense it still contains these Magian distortions.

The original conception of the Nazarene distortion can be found written by that philosopher of Satan who was himself a Satanic adept I predict and who manifested in a very Falciferian way the arrival of the Vindex figure of Adolf Hitler. Whose providence was gifted to him by a younger female entity caught between the causal and the acausal — who is damaging to the psyche or sanity but perhaps in a

child-like fashion of curiosity lent a tread of fate from Freya or Feyan itself which was known as impersonal providence to Adolf Hitler. And guided him much like a tread through his whole life up until his own sacrifice for his race. I believe such a suicide was not to avoid humiliation or punishment — which may have not even arrived given Stalin's interest and admiration of Hitler except perhaps by his Kremlin KGB Jews who ran Gulags and such — but that of a Hellenic or Greco-Roman tragedy of a numinous dark nature as that of Antigone's suicide due to once more the hubris and patriarchal ethos of the Magian. Of which Hitler was not a follower of due to his commitment and love and devotion to his Mother.

What was Communism, sociology, Marxism, Leninism, feminism, and all other movements of social justice if not embodying the slave morality of Christianity and engineered by the Jews to control the Aryan such that the Aryan would de-evolve into merely being white. A tame domesticated animal and then they set their fangs upon Japan and the rest of Asia. Particularly Thailand and Tibet. And the British Empire by virtue of being Nazarene from the get go had it's policies of Colonialism and slavery which if one studies as an example the Nation of Islam's texts: "The Secret Relationship Between Jews and Blacks" they find it was a Jewish proposal. And whereupon Abe Lincoln freed the blacks he was assassinated before he could proceed with their back to Africa movement. And instead blacks were kept enslaved and confined to ghettos were they had to resort to crime out of poverty and drugs which the CIA gave them along with AIDS. Much like Cluster and other Homo Hubris gave the Native Americans blankets with influenza and smallpox.

The Pagans of Nordic Origin co-existed with the Natives of the Americas. And left peacefully. It is that doctrine of Judaism and Christianity which espouses the need to slave, the need to colonize and the ethos of might makes right. For they were heathens! And to save their souls they must teach them of Yeshua. Who was an inferior diety to their glorious Pagan Gods whom they offered animal or human sacrifices too. Again for a plentiful harvest usually or to restore balance via justice or otherwise. And said movements above which all can be called Marxist-Leninism were engineered and designed by Jews such as Karl Marx and Vladimir Lenin. And when Stalin turned it into a Slavic nationalist doctrine opposed to Zionism and underwent the Doctor's Plot of assassinations he himself was poisoned before too long.

These hideous serpents evolved and bore a more potent venom or toxin to the World Soul and that of the Western Aeon — that of Cultural Marxism. Where the poor working class is replaced with the

individual who has the least amount of privilege or the most unfortunate of minorities. Dark skinned, disabled, retarded mentally, sexually perverted, degenerate, decadent, morally questionable and above all else possessed of a resentment and desire for revenge against the “master” or the fair skinned, beautiful, noble, wealthy and Aristocratic. Once the Wealth of the Czars were handed over to the Jews then it was fair and all was right. And once the place of the White becomes beneath that of the absolute untermensch or sudra then all is right. For they will have enslaved us to the point where they can rule without question as those who oppose them would be sufficiently weak to prove absolutely fangless. The Third Reich was not a Christian governance and Adolf Hitler admitted that it was merely in public to “keep the peace” that he posed as a Christian. And he also admired Islam far more. And he admired Asian culture. And he wanted to give the Native Americans their land back. He was opposed to the KKK. And he did not hold erroneously some sort of racially supremacist doctrine except in the sense

that everyone in the 1940s held. Including those sly Amerikkkans who kept blacks behind the “Nazi” POWs and blamed their rapes and murders upon the black soldiers who they summarily executed. Today in the military it is debated if Muslims can wear their traditional dress. In the Waffen-SS which was multiracial, multi-cultural and religious tolerant they were allowed to do this.

Leon Degrelle himself noted Hitler was possessed of a quiet studious character and enjoyed the fine arts. And that there was no policy of Jewish extermination but due to the refusal of other nations such as Macedonia to accept Jewish refugees — on the basis they did not want the same to happen to their country and likewise when British Palestine scuttled a German U-Boat with Jewish refugees. In fact the Third Reich wanted a homeland for the Jews or their own nation. They were ironically enough the first Zionists themselves! But not at the expense of the German people. NO! And Nor should it be. 80-90% of the prisoners of Concentration Camps were once more imprisoned post-War. Zyklon-B was used as a delousing agent. Bombings cut off supply routes and obviously the Guards would be more well fed as they are in modern prisons. And other propaganda was designed by the USSR and British to create the image of the “Death Camp”. Which according to Red Cross figures would have been 140,000 — no doubt due to typhoid, starvation and conditions themselves. And indeed perhaps crimes of ignoble nature were conducted by the Guards but that was not the policy of the Third Reich.

Furthermore in the first editions of Night it was said the Jews were burned alive, later electrocuted and still later with further revisions to have been gassed. As the Jews themselves say there is no business like Shaoh business. And to question in any way this official history is to be as one who was burned as a Witch for saying the Earth was round in those Christian-inspired Dark Ages which set mankind back centuries and the hideous doctrines of Communism and Zionism perhaps will set mankind back a further thousand if left un-opposed. Which thankfully one can grasp they are not due to individuals such as myself and others. The Satanic adepts and Masters who behind the veils perform the dark sorcery needed to evolve humanity upwards and counter the Nazarene distortion.

Brave New World

Satan therefore as an accuser or adversary against God's chosen people is thus on the side of the West and therefore Satanism must be understood to be an evolution or darker presencing of National-Socialism itself which evolved into Reichsfolk and then our form of Anarchofascism. Exoterically understood Satanism or Baeldracianism is Anarchofascism whose Code of Honour is based upon that of Reichsfolk and Law is Numinous Law in relation at least to the modus operandi of the Cyberpunk Gangstas of Sinistar-7. Esoterically it is Falciferian and that of the Sinister-Numinous Hebdomian Way

either original or newer. For the flow of numinous to sinister or sinister to numinous we meet upon the hill-top of Sinister-Numinous then via Wu-wei we are able to via inaction perform effortless action without the need for antinomian quicksands. And we must understand here most are too lazy or weak to fight with arms bared against the system. The Elite few must move by proxy and mass hypnosis the evolution of the West and ultimately humanity to that state of Homo Sol to Homo Galacticus and beyond. Establishing our Sinister-Numinous Sun-worshipping Space-faring Solar Reich and then Galactic Imperium. With the final Aeon of the Dark Aeon returning all to the original source or beyond that. Either cyclically repeating itself or ending the Cosmic Dream or Nightmare of humanity — that slave species who is prey for the coming Sinister Predator perhaps. Whose prey will be those of the neo-nazi — who is a Hollywood Nazi archetype who is primarily a scoundrel of the highest caliber, a Nazarene, sometimes a Klansman, almost always originating from the incestuous backwoods of the Southern US trailer park, or some urban White Ghetto etc. Compare this with the Midwestern Images or Upstate ones of William Pierce and George Lincoln Rockwell.

Continuing the work of those individuals was esoterically I believe Charles Manson and exoterically was James Mason. Both should be held not as American heroes but American saints. And idols and role models of emulation for any young or old National-Socialist. And we must continue their work and the work of David Myatt.

Siege Culture is not that of the pedophile rapist skullmask wearing degenerate homosexual trash breed. But that of being self-sufficient and away from the fall of Rome. As Reichsfolk itself is.

However, I have urbanized and modernized this doctrine to that of the Cyber-Nazi Syndicate who embodies Anarchofascism. Which is non-racist anti-ethics Sinister-Numinous Gnostic Fascism and Esoteric National-Socialism. As well as presences the energies of the New Aeon via our Tribes and Code of Honour and way of living.

The future is bright and Vindex is rising. Within 132 years we shall have our Solar Reich or at least a Worldwide National-Socialist governance! For all races, creeds, nations, states and ethnicity. Who will form based on folk or volk and be within the empathetic symbiosis of Nature, Cosmos and the evolution. And carry out the will of the Cosmic Being and Dark Gods themselves! Via the beautiful die cast by that Sybilla and the Goddess of Judgement. Whose Impersonal Threads of Fate Guide Us by Providence.

Such an individual or individuals who arise will not arise because they have already risen and rose. And

are merely biding their time for the right circumstances or opportunity to present itself — perhaps via the Russian-American War and the resulting hopeful victory of Muslims against Israel and Worldwide Jewry. Such conditions are oh so favorable now. The sweet fragrance of musk and the resulting odor of the fogs of war upon some scorched Earth for blood and soil. With the noose hanging in the horizon as the traitors with their placards upon them swing to and fro from. As William Pierce dreamed. And the flames engulf the World itself burning to ashes the Jewry and all it's forms. The Holy Holocaust of the Aryan Nations and Ray Redfaerin. And this marks the end of the Kali-yuga as the tides of war change and from it's birth is a new Nation and it's offspring nation-states. All bonded together by the Tribal Honour of Reichsfolk and operating under Numinous Law. Where the principles of individual

judgement, will and freedom are not opposed but championed and expresses itself in the compassionate empathetic duty to one's folk, Nature, Cosmos and God and providence itself!

Hail Victory!

Heil Hitler!

Hail David Myatt!

Agios o Vindex!
